RICHMOND EXPRESSWAY SYSTEM

CONTRACT NO. FAMS-2018

\*\*\*\*\*

ADDENDUM NO. 1

March 21, 2018

DESCRIPTION

The attached pages are issued to amend, and become part of the Contract Documents.

Contractor shall acknowledge receipt of this Addendum on the Receipt of Addenda form (Contract Page RA-1). Failure to complete and include the RA-1 form in the bid package may cause bid to be found irregular.

There is no change in the date that bids are due, and no change in the contract completion date from the dates contained in the Invitation to Bid.

**Pre-Bid Question**

The RMTA would like to clarify a question raised at the Pre-Bid meeting held March 8, 2018:

1. Is an initial condition assessment required with this contract?

The expectation is that the RMTA system condition will be documented with the selected Contractor at the beginning of the contract and deficiencies noted as pre-existing. The contractor will not be responsible to repair all pre-existing deficiencies as part of this contract. The RMTA may request additional one time services with an agreed upon fee to correct some of these pre-existing deficiencies.
