RMTA answers to vendor questions for RFP #COMP/2023

- In order to complete the review of 3 positions by 3/10, will RMTA provide the selected vendor with the peer compensation data (salary structure(s) including names of positions in each grade) for the City of Richmond, Chester (**Chesterfield**) County, Henrico County, and the sample agencies within the Commonwealth of Virginia such as the DOT immediately following execution of the contract to allow time for data analysis and aggregation?
 - **The designated positions for the 3/10 review are as follows:**
 - **Toll Collectors (retail/cashier and customer service positions)**
 - **Maintenance Workers (landscaping and janitorial positions)**
 - **Vault Attendants (delivery drivers, cash handlers; driving and heavy lifting required)**
- If the selected vendor is required to solicit or mine for this data, is it acceptable to provide a preliminary update using survey data only on 3/10 with the requested peer group information appended at a later date? **YES**
